# INDEX

ANGEL, J. LAWRENCE, Race, Type, and Ethnic Group in Ancient Greece, 1-32
Anthropological measurements in psychotic patients, factorial analysis of, 133
Asymmetry, and wormian bones, 76

BEALL, GEOFFREY, and STANTON, R. G., The Relationship between Epilepsy and Maternal Age, 49-60
Blood levels, sulfonamides, 171

Campaigns and battle casualties, pre-colonial Mexico, 101
Chronic sickness in relation to survivorship twenty years later, 33
CIOCCO, ANTONIO, Chronic Sickness in Relation to Survivorship Twenty Years Later, 33-48
Cleidocranial dysostosis, and wormian bones, 61
  inheritance, 103
COOK, S. F., Human Sacrifice and Warfare as Factors in the Demography of Pre-colonial Mexico, 81-102
Correlation of anthropological measurements on psychotics, 136
Cranial measures, ancient Greek, 6
  crania with wormian bones, 66
Curves of national growth, 204

Death probabilities in closed population groups, 158
Death rates, use of life table for comparative mortality, 127, 238

Epilepsy and maternal age, 49
Ethnic groups, ancient Greek, 1
Expectation of life and probability of death, 238

Factorial analysis of anthropological measurements in psychotic patients, 133
Fatigue of mother, and fetal activity, 221
Fetal movements and maternal activity, 221

Genetics, of cleidocranial dysostosis, 103
Growth curves of nations, 204
GUMBEL, E. J., Probability of Death and Expectation of Life, 238-240

HARRIS, DALE B., and HARRIS, ELIZABETH S., A Study of Fetal Movements in Relation to Mother's Activity, 221-237
HESS, LEO, Ossicula Wormiana, 61-80

Hsü, E. H., 133
Human sacrifice and warfare as factors in the demography of pre-colonial Mexico, 81

Inheritance of cleidocranial dysostosis, 103

Karpinos, Bernard D., Use of Life Table Death Rates for Comparative Mortality, 127-131
Keller, J. D., Growth Curves of Nations, 204-220

Lasker, Gabriel W., The Inheritance of Cleidocranial Dysostosis, 103-126
Life table death rates, use of, 127, 238
Life table methods in closed population groups, 158

Maternal activity, and fetal movements, 221
Maternal age, and epilepsy, 49
Merrell, Margaret, 171
Metopism, 61
Moore, T. V., and Hsü, E. H., Factorial Analysis of Anthropological Measurements in Psychotic Patients, 133-157
Morphological types, ancient Greek, 1
Mortality, and chronic sickness, 33
use of life table death rates for comparative, 127, 238

Ossicula wormiana, 61

Phair, John J., Schoenbach, Emanuel B., and Merrell, Margaret, Chemoprophylaxis in the Prevention of Disease with Especial Reference to Meningococcal Infection. I. A Comparative Study of the Absorption, Persistence and Excretion of Four Sulfonamide Compounds, 171-203
Physique, relationship to psychotic type, 133
Population, growth of nations, 204
pre-colonial Mexico, 81
Probability of death, and expectation of life, 238
in closed population groups, 158
Psychotic type, relationship to anthropological measurements, 133

Race, type, and ethnic group in Ancient Greece, 1
Rate constants, absorption and elimination of sulfonamides, 184
Relationship between epilepsy and maternal age, 49

Schoenbach, Emanuel B., 171
Standardization of death rates, 127, 238
Stanton, R. G., 49

Study of fetal movements in relation to mother's activity, 221
Sulfonamides, absorption and excretion of, 171
Survivorship, and chronic sickness, 33
in closed population groups, 158

Territorial expansion growth curves, 204

Use of life table death rates for comparative mortality, 127, 238

Warfare, and population, pre-colonial Mexico, 81
Woofter, T. J., Probabilities of Death in Closed Population Groups, Illustrated by Probabilities of Death of White Fathers after Birth of Children, 158-170
Wormian bones, 61
